PROFESSIONAL SUMMARY

Third-Year Computer Science Engineering student with hands-on experience in Python, AI-powered application development, web development, and databases. Developed AI-based applications using Streamlit, SQLite, and Groq API with a strong interest in software development and problem-solving. Seeking internship or full-time opportunities in AI, Python, Software Development, or related technology roles.

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript
- **Web Technologies:** HTML, CSS
- **Frameworks & Libraries:** Streamlit, Pandas, NumPy, Matplotlib, Seaborn, PyPDF2
- **AI Technologies:** Groq API, Prompt Engineering
- **Databases:** MySQL, SQLite, MongoDB
- **Developer Tools:** Git, GitHub, VS Code, JupyterLab, Canva

PROJECTS

SkillSync AI

Python — Streamlit — SQLite — Groq API

GitHub Repository

- Developed an AI-powered recruitment platform for resume analysis and candidate evaluation.
- Implemented job description matching, interview question generation, and AI-based candidate recommendations.
- Built a practice test module with automatic scoring and performance tracking.

MathSpark Web-Based Calculator

HTML — CSS — JavaScript

GitHub Repository

- Developed a responsive web-based calculator using HTML, CSS, and JavaScript.
- Implemented basic arithmetic operations with a clean and user-friendly interface.

EXPERIENCE

Python Programming Intern — YBI Foundation

Apr 2025 – May 2025

- Developed Python-based mini projects to strengthen programming fundamentals.
- Gained hands-on experience in debugging, data handling, and application development.
- Improved problem-solving and software development skills through practical assignments.

Application Development Intern — NexaNova ProTech

Aug 2025 – Nov 2025

- Assisted in developing software applications based on client requirements.
- Contributed to the design and implementation of new application features.
- Supported application maintenance by resolving client issues and fixing reported bugs.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science (Expected June 2027)

J. T. Mahajan College of Engineering, Faizpur (DBATU)

CGPA: 7.69

Higher Secondary Certificate (HSC)

N. G. Patil Junior College, Savda

Percentage: 83.50%

Secondary School Certificate (SSC)

Bhusawal High School, Bhusawal

Percentage: 89.20%

CERTIFICATIONS

- Python Programming Internship – YBI Foundation
- Application Development Internship – NexaNova ProTech
- Cloud Computing and Big Data Internship – YBI Foundation

LANGUAGES

Marathi (Native) • Hindi (Fluent) • English (Professional Working Proficiency)
